Give more children and young people the life-changing chance to build a Godly future at a Christian school

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” – Matthew 19:14

Christian education is growing and flourishing in Auckland, but many families are still being turned away for lack of available spaces for their children.

Please help.

Help children achieve their full potential as servant leaders in the Kingdom of God.

Help young learners see their world through the lens of God's Truth.

Help them discover their identity and purpose in Christ – and understand Jesus' command to “Follow Me”.

Help them become people of Godly character, committed to live out their faith in their actions, communities and lives.

In this booklet we ask you to help Auckland's children in three ways:

Give

Bequest

Lend

Your generosity will have an eternal impact.

We are KingsWay Trust

We provide the land and school buildings that Christian educators can use to deliver quality, Christ-centred learning.

In 1986, our first school began with 20 children. Today we have 2100 learners, across four schools.

In 2021, KingsWay School's Open Day welcomed 500 families. They all hoped we could say, "Yes, we have room for your child."

Please help to make that possible for all our schools, by making our Vision your own.

**Our Vision: To enable
accessible, Christ-centred,
quality education for
children and young people, in
the Auckland Region**

Chair

Kingsway Trust's vision is to bring accessible, Christ-centred, quality education for children and young people, in the Auckland Region. We think we are investing in some of the country's most exciting mission fields.

This booklet invites you to search your heart and decide whether you are willing to invest deeply to change lives, and bring truly Christ-centred education to more children and young people in Auckland.

I have seen first-hand the impact of Christian influence on those who have spent most of their years at Kingsway school.

Giving deeply will make such a difference to so many more. Alternatively, lending significantly will mean we can do so much more, to impact many more lives, sooner.

If this touches your heart, we'd love to hear from you.

May God bless and lead you as you consider these matters.

Chairman
Kingsway Trust

Make Our Schools Your Schools

Christian education has been shown to produce adults who achieve higher outcomes in faith, careers, community service, marriage, friends and social connections. Christ-centred education gives young people a stronger grasp of meaning, purpose and direction in life.

As you help families to access this kind of education, you will bless our whole society and our world – economically, civically, socially and spiritually.

These are the Christian places of learning The KingsWay Trust has established so far:

Kingsway Preschools - three beautiful centres, with more to come.

Kingsway School - a Year 1-13 school in Red Beach. The Senior Campus is in Red Beach. The Junior Campus is a short walk away, in Silverdale.

Kingsgate – in Pukekohe, soon to become a full Y1-13 school on a new site.

Horizon School - a Y1-13 school in Snells Beach.

Jireh Christian School - a Year 1-8 multicultural school in Avondale.

KingsWay School – West Auckland – a vision for a Y1-13 school in West Auckland, ready to be planted.

For now, these are wonderful fruit of the vision God has given us, but for the future, Auckland families seeking a Christ-centred education will need us to provide even more schools than these. These future learners need your support now.

Leaving a Lasting Legacy

Making a KingsWay

Bequest in your Will

We are very appreciative that are considering supporting the work of advancing Christian education in your Will.

In your Will, you or your Trustee, Solicitor or Executor can include a simple instruction like this:

I give to the Kingsway Trust (Charities No. CC31760) as follows:

The rest and residue of my estate, or

_____ percent of my estate, or

_____ percent of the residue of my estate, or

the sum of \$_____

Free of all duties and testamentary expenses for its general purposes and I direct that the receipt of that organisation shall be sufficient discharge to my executors for this bequest.

Naturally we want to acknowledge your generosity. We would like to discuss how best to do this, in a sensitive and completely confidential way.

We would be grateful if you would send a **copy** of your instructions to your solicitor/professional advisor to The KingsWay Trust via email (legacy@kingswaytrust.nz), or by mail, (P O Box 306, Orewa 0946) or hand it in at the school reception addressed to The KingsWay Trust.

If you would like to discuss any of this further, please contact the Chairman at legacy@kingswaytrust.nz or telephone 029 9145580.

Give – Bequest – LEND Term Loan Enablement Programme

Make a 5-10 year loan, without interest or at a rate lower than commercial interest. You will be accelerating the advancement of Christ-centred education across Auckland.

For wholesale, large or other eligible investors, we would welcome a discussion to consider this kind of term loan to enable a KingsWay Trust project.

By lending rather donating, you will preserve your loan principal for your family's future, but you will enable The KingsWay Trust to bring Christ-centred education to Auckland's children and young people so much sooner.

Please contact us so we can explore this option with you. Legal advice will determine if your offer of a loan is possible within New Zealand's legal framework, eg. professional investors, those with investments over 750k, or other wholesale eligibility.

If you would like to discuss any of this further, please contact the Chairman at legacy@kingswaytrust.nz or telephone 029 9145580.

Thank you for being committed to the growth of Christian education in Auckland.

Your generosity will have an eternal impact.
